

Greg Proops

“Here he is, though, in front of a live audience each week, bravely recording some of the boldest comedy on the podcasting frontier right now.”

-Rolling Stone Magazine

Greg Proops is a stand up comic from San Francisco. He lives in Hollywood. It's not that bad. Really.

Professor Proops has a hit Podcast called **The Smartest Man in the World**. In one year he has recorded it live in Australia, New Zealand, Montreal, Edinburgh, San Francisco, Austin, London, Paris aboard a ship in the Caribbean and somehow, Cleveland. Find it at Proopcast.com

Greg brazenly smokes dope on TV on **The Green Room with Paul Provenza** on **Showtime**.

Anchor Greg hosts the weekly webcast **Odd News** on Yahoo.
