

THERESA CAPUTO PSYCHIC/MEDIUM

ABOUT:

Theresa Caputo was born and raised on Long Island in Hicksville, NY. She has been married to her husband Larry for 22 years and has two children, Larry and Victoria. Theresa has been a practicing medium for 10 years and is a certified medium with the Forever-Family Foundation - an organization dedicated to connecting science with the afterlife. Theresa describes the process of receiving information as "feeling" spirits. She sees shadows and hears voices, but the overwhelming process is the sensory feeling and presence of those wishing to get messages across. Those who have witnessed her readings will attest to her "rapid fire" style and the abundance of significant evidence and messages. In seven short years of practicing mediumship professionally, Theresa has earned an extensive following in the New York area. With a two year waiting list, Theresa's clients are holding on to every glimpse of hope for a cancellation just so she can read them sooner. It doesn't matter where she is or who she is with, Theresa Caputo is likely to be helping someone through her psychic ability. She is so undeniably good at her craft that skeptics become believers and believers are in total disbelief.
